### Note:

This list may contain errors and omissions, and information may have changed since its publication. Theatergoers are strongly advised to confirm that the information listed here.

Accessibility symbols represent self reporting by theater representatives. A call to verify that accommodations will be available is advisable. Community theaters have yet to be surveyed.

### Content:

Unlike movies, there is no rating system for live theater. If you have any questions about the content, themes or language of a production, you are encouraged to inquire. This may be less of a concern at schools than at college and community theater.
